We did not make this war. You brought it to us our flip sides are almost all evil. Most of the time you think we are talking to our flip sides when we are talking to our gangs. Also we have almost always had flip sides. None of our usual stuff is on it it is all The WoFMBers are on it.

Oh I'm sorry, WE need to leave YOU alone? This is about the fifth time today a SAMBer has come and tried to boss us around.

Swiftstar why dont you just get out of here before YOU start a flame war, and i totally agree with Hootsie. So stop trying to boss us around. Were not your puppets,your toys,your pets. We are our own group of people so tell your SAMbers to stop coming on here and bossing us around.

You know, this is maybe the third time I've seen essentially this exact same flame war. How'd we all manage *that*?

As annoying as this may be, I agree with Swiftstar. I don't like GvE moving to SA. We *should* stop.

I never would have gone over if a certain SAMBer had never come and accused one of us of telling them to stop copying us when that was a MONTH AGO.

And then we went over after we saw that post.

Who are we to wonder where we're going?

Who am I to tell me who I am?

Let's take it back, and take in every moment

Who am I, to tell me who I am?
